

International Orchid World Dresden 2023

COMMERCIAL TERMS PRICE LISTS #1 - #7

International Orchid World Dresden 2023

Deadline date for preorders **February 28th, 2023**

- **Prices:** The lists prices #1 to #7 include the exportation - importation costs and other costs after the clearance (shipping and handling) would be charged to the value of the order, but if picked up at Dresden show, there are no additional charges.
- **Discounts** for preorders if the total of the preorder is between EUR500 and EUR999 apply a 5% and if EUR1000 and more a 10%.
- Before ordering, please ask for **availability** and **order** by clicking [sales](#).
- **Payment** of preordered plants: 100% in advance. It should be done by PayPal or Bank transfer.
- For each preorder will apply handling and extra **shipping costs** unless the plants are being picked up at **Dresden** Orchid Show, March 30th - April 2d. (Germany) more details, please ask us.
- The plants are frontal **divisions or seedlings**. Before confirm your order, please have in mind that the plants must be cleaned deeply before pack them in order to keep them free of quarantine pests and ensure their entrance to the destiny country, sometimes the plants are delivered with few alive roots, please feed them with high phosphorus, vitamins and hormones to improve rooting and keep them sprayed against fungus and bacterias.
- The quantities of the species are **limited**, sometimes one available division, please be patient and if your wished plant is not available, we could reserve it for another time. If you want a division bigger that the ones stated in the lists, please let me know, if it is possible, I gladly will quote it and bring it for you when possible.
- **Guarantee of the plants:** 1. Identity: The species or clones you bought are guaranteed that they will bloom like the photo in the catalog, if any involuntary mistake, please send us a message with the photo of the flower and the plant to replace it in your next order. 2. Plant condition: If too much stress during the trip and the plant doesn't recover within a month from the delivery, please take two photos: one when delivered and the other up a month ahead when you submit the claim to us. The plant will be replaced in your next order or reimbursed if you prefer this option.
- Orquídeas Katia agrees with the Colombian requirements of environmental and socially correct practices and follows sustainable development guidelines.
