TERMS AND CONDITIONS:

1 Plants are subject to availability.

All plants are blooming size unless specified as seedling or medium sizes.

2 Prices are inclusive of CITES & phytosanitary certificate.

Freight charges will be charged to the buyer.

Minimum order of \$500 worth of plants required with at least 3 pieces per species.

We reserve the right to remove plants from the listing and limit the quantity of order.

3 For USA and Europe: Shipment will be made for orders with import permits only.

We will provide the necessary CITES export permits for all importers.

Importer should provide us with the consignee's name, address, and contact #s for the shipment.

Though if there are other requirements needed, it will be upon the responsibility of the importer to inform us about it.

For orders from the USA, importer must provide us with a valid General Permit No. and date of issuance. Please visit the USDA Permit Website for more information.

4 Shipments' final destination will be at the port of entry of the importer's country, any land transfers needed will have to be taken cared of by the importer since plants will be inspected at the port of entry.

5 Payments shall be made to us in full, by bank deposit/telegraphic transfer.

If payment will be paid by Paypal, corresponding charges will be applied (+4%).

Full payment upon ordering must be made before we will ship to buyer.
